

Time to Get Dressed

Shoes, socks, shorts and T-shirt,
I'm ready for school.

Friend, how about you?

Cap, pants, sandals and T-shirt,
I'm ready for the bus.

Buddy, how about you?

We are going to the school cafe.

We are looking good.

We are having our lunch,
And we are feeling so full.

Coat, scarf, mittens and pants,
I'm ready for the mountain.

Friend, how about you?

Sunglasses, shorts and flip-flops,
I'm ready for the beach.

Buddy, how about you?

We are going to play outside.

We are looking cool.

We are getting dressed,
And we are having so much fun.
